	MEMORANDUM FOR : Assistant to the Director
25X1A	ATTENTION :
25X1A	SUBJECT : OXCART Clearance for Special Adviser to the President on SST Matters
25X1A	1. You will recall our conversation last week on the subject of OXCART clearances for The subject of the subj
25×12A	30 September between these gentlemen and
25X1A	2. I conveyed your remarks about the Director's reaction to Mr. Johnson by phone late last week. He asked that I reopen the matter with the Director through you on the following basis. Mr. Johnson seems to recall that at a mid-July meeting involving only the Director and the three Lockheed principals noted above that Mr. McCone expressed a willingness to bring into the OKCART picture "later on". In view of this recollection, Mr. Johnson asks that we determine if the Director would be willing to clear
25X1A	only for the 30 September meeting in New York.
25X1A	the question of SST costs with on that date unless is aware 25X1A that our figures are grounded in the experience obtained with the OXCART vehicle. Would you be good enough therefore to ask the Director if he recalls having made the statement attributed to him by Mr. Johnson, and if so, would he concur in a limited OXCART clearance for him at this time.
